Access to the conference

Partners :

FCBA is proud to count on its professional partners, Office National des Forêts ([ONF](#)), Norske Skog Golbey ([NSG](#)) and the forest cooperative Forêt et Bois de l'Est ([FBE](#)) for the organization of this major conference.

The conference benefits from a fruitful partnership with the two major scientific journals in the domain of forest engineering. Authors selected for oral presentation at FEC-FORMEC-2014 can propose their paper to be peer-reviewed and published in either the Croatian Journal of Forest Engineering ([CROJFE](#)) or the International Journal of Forest Engineering ([IJFE](#)).

The conference is also organised in partnership with the International Union of Forest Research Organisations (IUFRO) and its Division 3 ([Forest Operations Engineering and Management](#)).

FEC – FORMEC – 2014

Access to the conference

Financial partners :

FCBA is thankful of the support of the financial partners of the conference, namely the French ministry for agriculture and forestry ([MAAF](#)), the French Environment and Energy Management Agency ([ADEME](#)) and the commissariat de massif Vosges.

MASSIF DES VOSGES

The conference is also supported by a grant overseen by the French National Research Agency (ANR) as part of the “Investissements d’Avenir” program ([ANR-11-LABX-0002-01, Lab of Excellence ARBRE](#))
