# 5<sup>th</sup> Forest Engineering Conference

## ACCESS to the conference

### 5<sup>th</sup> Forest Engineering Conference

together with the

### 47th International Symposium on Forestry Mechanisation

“Forest engineering: propelling the forest value chain”

September 23-26, 2014 in Gerardmer, France

# FEC – FORMEC – 2014

## Access to the conference

FCBA will host the **5<sup>th</sup> Forest Engineering Conference (FEC)** together with the **47<sup>th</sup> International Symposium on Forestry Mechanisation (FORMEC)**.

The conference will take place on **September 23-26, 2014 in Gerardmer, France** under the general theme "**Forest engineering: propelling the forest value chain**".

The conference center "Espace Lac" is situated in the city center of Gerardmer. Access to the city is possible from many different origin points and thanks to different transportation means. A map of the area with the closest airports and train stations is provided heredown and at the following address:

### Airports

2 **international airports** are situated at less than 2hours drive from Gerardmer :

- Aéroport Bâle/Mulhouse/Freiburg ([www.euroairport.com](http://www.euroairport.com))
- Aéroport de Luxembourg ([www.lux-airport.lu](http://www.lux-airport.lu))

Other **international airports** may also be an option for you:

- Airports in Paris (Roissy Charles de Gaulle or Orly [www.aeroportsdeparis.fr](http://www.aeroportsdeparis.fr))
- Frankfuhrt airport ([www.frankfurt-airport.com](http://www.frankfurt-airport.com))

3 national-regional airports might offer a possible landing point for european colleagues

- Aéroport Epinal-Mirecourt ([www.epinal-mirecourt.aeroport.fr](http://www.epinal-mirecourt.aeroport.fr))
- Aéroport de Metz-Nancy Lorraine ([www.metz-nancy-lorraine.aeroport.fr](http://www.metz-nancy-lorraine.aeroport.fr))
- Aéroport de Strasbourg ([www.strasbourg.aeroport.fr](http://www.strasbourg.aeroport.fr))

## Access to the conference

### Partners :

FCBA is proud to count on its professional partners, Office National des Forêts ([ONF](#)), Norske Skog Golbey ([NSG](#)) and the forest cooperative Forêt et Bois de l'Est ([FBE](#)) for the organization of this major conference.

The conference benefits from a fruitful partnership with the two major scientific journals in the domain of forest engineering. Authors selected for oral presentation at FEC-FORMEC-2014 can propose their paper to be peer-reviewed and published in either the Croatian Journal of Forest Engineering ([CROJFE](#)) or the International Journal of Forest Engineering ([IJFE](#)).

The conference is also organised in partnership with the International Union of Forest Research Organisations (IUFRO) and its Division 3 ([Forest Operations Engineering and Management](#)).

# FEC – FORMEC – 2014

## Access to the conference

### Financial partners :

FCBA is thankful of the support of the financial partners of the conference, namely the French ministry for agriculture and forestry ([MAAF](#)), the French Environment and Energy Management Agency ([ADEME](#)), the commissariat de massif Vosges and the association of French Paper Industries ([COPACEL](#))

The conference is also supported by a grant overseen by the French National Research Agency (ANR) as part of the “Investissements d’Avenir” program ([ANR-11-LABX-0002-01, Lab of Excellence ARBRE](#))
